## Groups Rally to Sponsor Benefit Party Next Saturday

Few Tickets Remain for Party and Dance to Aid Local Family; General Chairman Reports Splendid Cooperation

With latest reports stating that nearly all the tickets have been sold, success is assured for the mammoth benefit dance, entertainment and card party a week from tomorrow night in the Veterans Memorial Building, promises H. C. Healey, general chairman.

Proceeds of the affair, put on by the combined American Legion and V. F. W. Posts and Auxiliaries of Albany, will be turned over to the family of the late Jess R. Morris, who passed away shortly after his election to the commandship of Leland Bergesen Post, Veterans of Foreign Wars.

Veterans' organizations throughout the Bay district have responded heartily to the cause and have purchased many tickets, it is said.

### GENEROUS OFFERS

Typical of the many generous offers to aid the success of the event, was the application of W. L. Slattery to present the card parties during the evening. Slattery, who has directed many successful whists for St. Ambrose Church was one of the first to volunteer.

Another example is that of the Maxwell Park Dads Club Orchestra, composed of 20 talented musicians. This group, led by Norman Pillsbury, will supply the dance music. Details of the dance and entertainment are in the capable hands of Mrs. Mabel Ryken, who skill in presenting successful affairs is well known.

The local Posts and Auxiliaries have borne the brunt of the work, and to them should go the plaudits of the community. Members have given freely of their time.

### WORKERS NAMED

In addition to the workers already named, the following members of the committee have taken an active part: J. R. Moore, A. L. Ford, A. A. Cook, Howard Hill, W. L. Holland, Mrs. A. Cook, Mrs. Ann Sartain, Mrs. Mae O'Brien, Mrs. Lucella Houser, Mrs. Rose Novell, Floyd Hayhurst, H. Walters, C. Dobbs, J. C. Cappelman, Mrs. Lorna McSorley, Mrs. Nora Healey, Mrs. Esther Wells, Mrs. Bertha Scholz and Mrs. Olga Thomas.

A few tickets may still be secured from members of the above-mentioned organizations.

## Head Injury Proves Fatal

Nearly 12 hours after he sustained serious injuries on the East Shore Highway just north of the Albany-El Cerrito line, Garth Lay, 24, succumbed Wednesday morning at Humboldt Hospital without recovering consciousness.

The youth was traveling southward on his motorcycle when the front tire blew out, catapulting vehicle and driver a distance of 120 feet, according to a report by Sergeant Charles Hardie and Officer John Viarango, first policemen to arrive at the scene.

Lay was hurled to the pavement on his head, inflicting a basal fracture and other injuries. Rushed to Humboldt Hospital by ambulance, he was treated by Dr. Martin J. Lacey, but failed to rally.

Riding with him, on another motorcycle, was a friend, Richard Smith, 21, living at 1668 Lincoln Street, Berkeley. From the latter police learned that the pair had been in Pinole in search of work. Cause of the tragedy, it was learned, was an undersized tube in the tire. The night before the same tire had burst but without injury.

The youth lived at 670 34th Street, Oakland. He was divorced, has a son, David, 2. Also surviving are his parents, Mr. and Mrs. E. R. Lay; a sister, Ray Lay, and a brother, David Lay.

### FINDS LOVEBIRD

A lovebird obviously someone's pet, was found in her backyard yesterday by Mrs. E. Christiansen, 1053 Santa Fe Avenue. She rescued the bird from a cat that sought to kill it and found that it had a plain metal band on one of its legs. She is now seeking the owner.

A pet alligator, one foot long, is the pride and joy of young Ronnie Jensen, 621 San Carlos Avenue.

## Two Boys, One Girl Arrive at Local Hospital

Two boys and one girl came to bless Albany families during the past week, it was announced by Humboldt Hospital.

Saturday was the day on which Darlene Marie was born to Mrs. Bert Fornengo, 1070 Neilson Street. She weighed nine pounds one ounce.

Bal Bennett Wright, new son of Mr. and Mrs. K. R. Wright, 639 Carmel Avenue, arrived Sunday. He weighed five pounds five ounces. His father is a salesman for the Crescent Manufacturing Company.

Monday saw the birth of William Earl Calhoun, weight eight pounds one ounce, to Mrs. R. E. Calhoun, 701 Talbot Avenue. Calhoun is an ink-maker at the California Ink Company.

## Fine Bill Is Secured for Third "Sing"

An impressive list of performers for the third Albany Community Sing has been gathered by Edwin S. Howell, supervisor for the Recreation Department and master of ceremonies. Every thing is ready for the fun frolic next Friday evening, February 4, in the Marin School auditorium, he declares.

Many local and out-of-town entertainers have offered their services to make the affair an even greater success than the two previous occasions. Even Jack Benny, the radio comedian, expressed a desire to aid in the song-fest but regretted his inability to do so, in a letter to Howell.

Benny's name entered the picture when permission was sought to use one of his radio scripts in the local show. He sent an explanation that the contract with his sponsors prevented him from sending the script, but that he wished the Recreation Department every success in their presentation.

There are many familiar names, however, on the list of talented entertainers who have consented to appear. Among them are:

Buddy Meads, 10-year-old song stylist; Bob LaMarre, who broadcasts daily on one of the larger radio stations; Yetta Zahn, youthful classic singer; Mayberry Nelson and Dorothy Dixon, specialty dancers; the Rythmaires Quartet—C. Sandoe, R. Sam-pietro, Harry Craig and J. Lawson; Betty Douglas and Bill Hanson, harmony duet; Jim Bratton, vocalist, and Audrey Stevens, pianist.

## Radio Man's Car Runs Away and Crashes Window

If Al Magazin, advertising director of KRE, ever tries to sell a sponsor on the idea of producing a program, about runaway cars he has all the material for the script. In fact, he picked it up first hand Tuesday night.

Magazin parked his car in front of 1396 Solano Avenue at that time to call on his good friends, Mr. and Mrs. Oscar Scheik. As he rang the doorbell a terrific crash nearby caused him to look around and discover that his sedan was gone.

It had rolled backward, across the street and into the plate glass window of a vacant store at 1396 Solano. The car was damaged but slightly. He reported to Officer John Viarango and Sergeant Charles Hardie. Magazin lives at 720 Cornell Avenue.

## Five A.H.S. Seniors Are Given Awards at Graduation Rites

Five outstanding students in the January 1938 class of Albany High School received special recognition during the ceremonies held Wednesday night in the Veterans Memorial Building.

Eugene Miller received the American Legion medal for scholarship and citizenship from Commander A. A. Cook of Albany Post. A gold pin from the Auxiliary was presented to Margaret Greer by Mrs. Marjorie Kane, member of the educational committee. Miss Greer also was awarded \$25 from the Girls' League for the furtherance of her education.

June Ortegren received the Girls'

League cup, while the citizenship cup of Albany Parlor, N. D. G. W., was given to Norma Boggiano. The school's musical award was presented to Harry Arnold Craig.

Diplomas were conferred upon the 41 graduates by Dr. Jack L. Stein, president of the School Board. The program also included addresses by Allen Keim, superintendent of schools, and Charles A. Moore, principal. The invocation was offered by Rev. George G. Saywell, pastor of the Albany Community Church.

The class officers were: Norma Boggiano, president; June Ortegren, vice president, and Carl Taylor, secretary.

## Softball Games Start Sunday

Promise of an interesting sight that should appeal to everyone, is given in a notice received from the Recreation Department that softball games for men and women will be resumed at University Park next Sunday.

A game for women, married or single, will start at 11 a. m. Feminine Di-Maggios and "Dizzy" Deans will form two teams that will battle for the championship of something or other. All women in the community are invited to show up at the park and get in the fun.

The males, benedicts and bachelors, will have their contest at noon. "Chuck" Terry is to be captain of the "attached" players, while Joe DeMaria will strive to lead the single men to victory.

The latter contest will mark resumption of a rivalry that flared high several months ago. If memory serves correctly, the single squad trounced its adversaries in several contests only to be defeated in the championship game by an attack overconfidence.

## Youths Fill Calendar in Local Court

In a calendar that listed all young offenders but one, the Police Court levied fines and penalties of varying severity Wednesday night. Oldest violator to appear was Albert J. Amery, 49, of 1147 2nd Street, Berkeley. He pleaded guilty to driving with improper lights on the East Shore Highway on January 12, paid a fine of \$3 at the order of Judge Louis J. Hardie.

George E. Hendrick, 18, a Richmond student, admitted driving 45 miles an hour on January 9. The court advised a term at the traffic school in the refinery city.

John A. Richardson, 19, of 3302 Piedmont Avenue, Berkeley, paid \$7.50 after pleading guilty to traveling 50 miles an hour in a 25-mile zone. Now attending the University of California, he will also major in "traffic regulations" for the next few weeks, the court ruled.

Averring that he didn't "like the idea of a day in jail", Albert M. Olsen, 19, of 1703 Everett Street, Alameda, promised to pay a \$5 fine within the next week. The levy has been unpaid since August 30, 1937.

The sternest note in the session came when Judge Hardie ordered a bench warrant to be issued for Miss Fay Mackay, young Oakland girl who owes \$25 on a \$50 fine for driving 75 miles an hour through this city several months ago. Bail was to be set at \$25.

## Install Albany Man as Head of N.A.L.C. Branch

John A. O'Leary, 1505 Albany Terrace, was installed as president of University Branch No. 863, National Association of Letter Carriers, at rites held last Thursday night in Finnish Hall, Berkeley. The affair was held jointly with that of the Berkeley Ladies' Auxiliary No. 363. A. Lloyd was in chairman.

Henry Bellerive, outgoing president, was presented with an electric clock as a token of esteem from the members. Other Albany residents who were installed in their respective lodges were: Oscar Torgeson, treasurer; Mrs. Agnes Gilbert, secretary; Mrs. Kathryn Torgeson, vice president; and Mrs. Marjorie Sullivan, trustee.

An entertainment program followed which consisted of song and dance numbers featuring Betty Jane Mattos, Mary Jeanne Trudeau, Jack Timmers and Robert Knox.

A banquet was then served at tables elaborately decorated in a white and yellow color scheme. Talks were given by Frank M. Whiting, postmaster; James Casey, future superintendent of the Albany Post Office and others.

### TO SING IN FINALS

So successful was her recent radio debut that Norma Holm, 13, of 924 Curtis Street, has been chosen to sing in the finals on KFCR Sunday afternoon at 3:30 o'clock. The young soprano is the daughter of Mr. and Mrs. T. C. Holm and is a student in the low eighth grade at the High School.

## Firemen Called To "Save" Baby Locked in Room

A new job, one not listed in fire department textbooks or manuals was capably handled by local firemen Monday afternoon when they "rescued" little Donald Arnold, 1½, from a bathroom in which he had locked himself.

The men responded with ladders to a frantic call from Mrs. M. G. Haines, 825 Stannage Avenue, who is caring for the child, a ward of the Oakland Association of Charities. She told them she had been unable to coax the youngster to open the door.

Up went the ladder and soon a fireman pulled Donald through the window to carry him safely and quickly to the ground, after unlocking the door. The ladder trip was given the young passenger for a thrill, it is reported.

## Urges Local Purchase of Ball Tickets

The importance of Albany residents buying their Birthday Ball tickets from local merchants, was emphasized last night by Judge Louis J. Hardie, chairman in this city. "Unless tickets are purchased in Albany," he explained, "this community will not receive full credit for its cooperation in the fight against infantile paralysis."

Cities in this district are presenting the fete, to celebrate the President's birthday and raise funds to combat the disease, at the Oakland Auditorium tomorrow night. Radio's famed Benny Walker will act as master of ceremonies and introduce the many stage and screen luminaries who have volunteered their services.

Funds from the Oakland ball and those of other cities throughout the Nation will be used for scientific research, epidemic action and instruction of doctors and parents in new methods of preventing the disease.

Aiding Judge Hardie on the Albany committee are Mayor O. C. Yenne, Councilmen Benjamin Mowday, Frank Hays, George Batchelder and Vincent Hanahan, Lloyd C. Hare, Mrs. Grace Higgins, city treasurer; Mrs. Beatrice Raymond, president of the Chamber of Commerce, and John MacCann of the Times.

Tickets may be secured locally at the following places: S. P. Corner Store, 865 San Pablo Avenue; Repp's Pharmacy, 911 San Pablo; the Douglas Pharmacy, 862 San Pablo; Olsen's Pharmacy, 1395 Solano Avenue, and Poppe's Pharmacy, 1419 Solano Avenue.

Miss Nellie Christensen, who is attending college in Chico, spent last week-end visiting her parents, Mr. and Mrs. O. M. Christensen of 728 San Carlos Avenue.

## HELP TO INSURE TRAFFIC SAFETY

Guardians of traffic safety at Marin and Cornell Schools are these two young sergeants of the Junior Traffic Police, shown here with their instructor, Officer Frank Davis of the local Police Department. Left to right, they are: Ernest Mitchell, 13, of Marin, and Milburn Pechart, 14, of Cornell.

The white raincoats they are proudly wearing were recently purchased by the City in cooperation with the Albany Traffic Safety Commission.

## Dads to See Model Planes At Meeting Next Tuesday

## Marin School Promotes 32

Promotional exercises for 32 young students, marking the completion of grammar school work and their readiness to enter junior high school, were held yesterday afternoon at Marin School, reports Eugene Baker, principal.

The program featured addresses by Allen Keim, superintendent of schools, and Principal Baker, and a farewell talk by William Keene, class president. A piano solo by Lorraine Rogers and a violin number by Barbara Miller were also presented. Selections by the school orchestra, under the direction of Armin Wegner, closed the program which was in charge of Rudolph Rudd, faculty member.

Other teachers whose classes took part were Miss Edyth Lemmon, Miss Beulah Lemm and Miss Mildred McCann. Mrs. W. G. Miller was room mother during the term.

## Safety Group Plans Meet

Several important matters will be discussed this evening when the board of directors of the Albany Traffic Safety Commission meets at Recreation Center, 850 Masonic Avenue, discloses Mrs. Lela Brunstein, secretary.

Chief item to be discussed is whether parallel parking is to be continued on San Pablo Avenue or changed to diagonal parking, in line with a recent recommendation of Police Chief John Glavinovich.

The speaker of the evening will be H. W. McKevitt, Berkeley merchant and active member of the safety body in that city. He is to talk on "I Am Master of My Car".

Several other matters will also be brought before the group, reports President A. L. Ford. Reports on hazardous conditions in various parts of the City will be made. The meeting is to start at 8 p. m.

## IMPORTANT NUMBERS

When necessary you may quickly obtain the service of either the Police or Fire Department by calling Thornwall 7140; to telephone your items to the Times call Thornwall 1510.

Striking examples of the workmanship that has brought wide fame to Albany's Ace of Clubs Squadron, Junior Birdmen of America, will be displayed before members of the Marin Dads Club and their guests next Tuesday night, announces Harold L. Burlingame, president. The monthly meeting of the school group will be held in the auditorium at 8 o'clock.

Special acclaim is said to have come to the boys' group for their model airplanes patterned after the Pan American Clippers that fly between this coast and the orient, reports Duncan McGregor, director, who is also program chairman for the evening.

Models propelled by tiny gasoline engines are now occupying the attention of the squadron, he discloses. A number of this type may be shown the clubmen.

As recently announced, the Albany High Dads Club is now sponsoring the young aviation enthusiasts who meet each Thursday evening at McGregor's home, 837 Santa Fe Avenue.

At the close of the meeting refreshments will be served in the school cafeteria under the direction of Orman Stone, chairman of the refreshment committee.

# Ryken's Plans Huge Sale To Fete Store Expansion

In advance of the expansion of his store to include a boys' department, announcement was made this week by Ed Ryken of Ryken's Men's Shop, 1109 Solano Avenue, of a huge sale to celebrate the event.

During the time he has been established at this location, more than two years, Ryken has built up a reputation for handling quality merchandise at reasonable prices. Because of this an enlargement of the store has become necessary, he revealed.

Rearrangement of the present departments is also promised, to provide even finer service for his patrons.

Fine broadcloth shirts in fast colors, at greatly reduced prices, are one of the items he is offering. Others include a large variety of ties, sweaters, pants, sport slacks, hats, pajamas and robes.

Ryken is also the local agent for the famous Kahn suits and has been allowed to offer special reductions on this quality line during the period of his expansion sale.

One of Albany's most progressive young merchants, Ryken has also given freely of his time to a number of the City's organizations. He was the second president of the Men's Breakfast Club and it

ED RYKEN

was during his term that the group sponsored the highly successful "MacGregor Day" fete.

In addition to being an active member of Albany Tent of the Maccabees, he is president of Berkeley Council, Y.M.I. He is the son of Mr. and Mrs. Frank Ryken, pioneer residents, who live at 1014 Pomona Avenue.

**Get Cabin Cruiser**

**Periled by Shot**  
While police are seeking the owner of a small caliber rifle from which a stray bullet endangered the lives of a mother and her three-year-old son Friday noon, the couple are recovering from the shock of the experience.

Mrs. Eileen McCloud and her son, Bruce, were in the kitchen of their home, 805 Key Route Boulevard, when they were alarmed by a shower of plaster that fell on them. An examination showed it had been caused by a bullet that drilled through a nearby window.

An investigation by Officer Kenneth Nickerson revealed that the bullet had ricocheted into the home after striking a concrete flag stone in the back yard. In view of recent complaints in the neighborhood that boys have been firing .22 rifles, the police announced that the stray shot apparently came from such a source.

The building is Spanish in design and located to the rear of the property which will make for a beautiful setting. The main auditorium will seat approximately 150 people. There are also three small class-rooms on the west side of the building which will be used for Sunday school purposes. The stage will be furnished as a chancel. ## Brauns Defeat Merchants in Sunday Game

Playing a double-header last Sunday at University Park, the Albany Merchants found themselves holding onto a win and a loss at the end of a busy day.

Their defeat came in the second game when they bowed to the Braun Matress nine, managed by Louis Griffing, local restaurant man, by the score of 4-0. Behind the peerless hurling of Steve LeGault, who allowed but five hits and walked two, the winners had things their own way during the contest, it is reported.

The fireworks began in the first with Valencia, Braun leftfielder, hitting a triple, to score a few moments later. Other tallies were made in the seventh and eighth innings.

Jake Nora's men did better in their second game, however, and downed the O. K. Batteries to the tune of 11-4. "Lefty" George was on the mound for the Merchants and turned in a good game, although 14 hits were scored off him.

Gene Kiley, shortstop, accounted for a home run, while his teammate, "Lefty" Swannstrom, rightfielder, earned a triple. Kiley and "Botch" Caruso, third baseman, have been selected to play on the semi-pro team which meets the former major leaguers in the annual insurance game Sunday at the Oakland Ball Park, announces Manager Nora.

## FORD OFFERS TWO NEW CARS and keeps their PRICES LOW

There are two new Ford cars for 1938—the De Luxe and the Standard—differing in appearance, appointments and price—but built on the same dependable Ford chassis.

Both bring you the basic advantages of a V-type 8-cylinder power-plant—smooth performance and compact design. The De Luxe Ford has the 85-horsepower engine. The Standard Ford provides a choice of 85 or 60 horsepower.

Both new cars are economical to operate. The Standard, with thrifty "60" engine, costs less to run than any other Ford car ever built.

And both new cars are priced low. Low price, like economy, is a Ford tradition. Ford founded the low-price field 30 years ago and keeps Ford prices low.

The De Luxe Ford costs slightly more than the Standard Ford, but provides more style with extra room in the closed sedans. Both cars, in proportion to price, represent unusual values. Both are built to the same high standard of mechanical excellence. There's a dealer near you.

# RECREATION

## CAUTION IS ADVISED

As several reports have come to his attention in regard to the misuse of bows and arrows by Albany youths, Thomas L. Farnsworth, superintendent of the Recreation Department and its Federal Recreation Project, has sent out an appeal to parents to make it a point to see that all archery equipment used by their children is handled only under proper supervision.

In making his plea, and pointing out the dangers from this popular sport to property and person unless properly supervised, Farnsworth urges parents of youthful archers to encourage their children to make use of the facilities offered by the local department as part of the recreational services to the community.

Every Saturday and Sunday in University park at the foot of Buchanan Street, the Recreation Department has two archery experts on hand in a special area roped off for exclusive use of archery equipment. Targets and bows and arrows are provided by the department for the use of beginners and those who do not have their own equipment. Instruction and assistance is offered by the experts free of charge to Albany residents.

Under the guidance of these experts, those who wish to make their own bows and arrows are taught to do so in the workshop of the recreation offices at 1800 Masonic Avenue. To encourage the sport, materials are furnished at cost.

As a climax to "Girls' Week" in Albany two huge play-days are planned for tomorrow morning on the Cornell and Marin School playgrounds.

An attractive program of athletic events has been arranged by the directors in charge at the grounds. There will be interclass competition with a large pennant to be presented to the class with the most contestants.

There will be contests in baseball, volleyball, relay races, basketball and kickball for the upper classes. The smaller children will engage in hopscotch and jump-rope contests.

Mrs. Alice Wann and Margot Lockhead will be in charge of the girls' activities at Cornell and Darwin Walton and Eva Peterson will run off the events at Marin School.

## Card Party Held at Mrs. Matthews' Home

Members of Mrs. Dody Matthews' card club were entertained at a luncheon and card party held last Tuesday afternoon at her home, 525 Kains Avenue.

Among the guests were Mrs. Frank Roberts, Mrs. Eddie West, Mrs. Jack Bowman, Mrs. Josephine Roberts and Mrs. Nell Matthews.

## Party Given for Cynthia Keim

Three pink candles illuminated the birthday cake and three small guests attended the birthday party given for Cynthia Keim last week. They were Marilyn Hanson, Michael McGinley and Sydney Greenberg.

Cynthia is the daughter of Mr. and Mrs. Allen Keim of 617 Curtis Street. Mr. Keim is Superintendent of Schools.

## Incumbent Aides Re-elected by Albany Federal

The incumbent board of directors and officers of the Albany Federal Savings and Loan Association were re-elected by the members of the organization at their annual meeting this week.

Cyril C. Lotz, Lisle C. Green and H. W. Brewer were named for a term of three years. Frederick L. Confer, John E. Barnes and Beatrice Raymond were elected for two years while George W. Foster, Dorothea L. Lotz and Joseph M. Villa were chosen to serve one year.

Lotz was re-elected president, Green, vice president; Villa, second vice president, and Brewer, secretary-treasurer.

Mrs. Eva D. Burns was re-appointed assistant secretary. George Schaefer, Harry I. Dygert and Henry E. Tweed are the appraisers for the association.

According to President Lotz, applications for loans in the past six months of the year totaled \$107,700, and since the first of the year have amounted to \$76,500. He further reported that the people of Albany were coming to recognize the value of the safety, availability and four per cent dividends of savings placed in Albany Federal accounts, and that the coming year would undoubtedly show much progress.

## Scouts Hear Safety Talks

Scouts of Troop No. 42 listened with interest last Friday night to a talk by A. L. Ford, president of the Albany Traffic Safety Commission, on "Safety in Traffic". He was introduced by Stuart Ebner, chairman of the Boy Scout committee of the Marin Dads Club.

Pertinent facts on "Safety in the Home" were given by Fire Chief Carl Ahlgren, who pointed out the simplicity of eliminating ordinary hazards.

### GIRLS' HI-Y MEETING

Election of officers took place at the Hi-Y meeting last Monday evening, January 24. Those elected were, Eva Vila, president; Marjorie Cuthbertson, vice president; Lucille Theilacker, secretary; and Helene Brazil, treasurer. The committee for the club will be chosen at a future meeting.

Plans for a dance to raise money for the Hi-Y Conference were discussed by the girls. This session will take place sometime in March, at Richardson's Springs.

In their first basketball game played with the Latter Day Saints Church group, the local club lost by a score of 30-4. Hoping to do better tomorrow night, they will play the girls from the Northbrae Church, at the Berkeley "Y".

Notice of Miss Mona Ross's resignation as leader of the club was given at the meeting. Miss Ross, a member of the Albany High faculty, has been the director of the group since it was organized last year.

## Council Will Take Action To End "Menace" of Rodents

### NEWS OF LELAND BERGESSEN AUXILIARY

With each officer at her post, Leland Bergessen Auxiliary held its regular meeting Tuesday night in the Veterans Memorial Building. Mrs. Dorothy Watson, assistant staff officer and a member of Berkeley Auxiliary, was guest of honor.

Announcement was made that Mrs. Olive Blair and other members of the Auxiliary will visit Fort Miley Hospital today (Friday) with gifts of cigarettes, robes, magazines, beanies and jelly for the patients.

After the meeting refreshments were served in the banquet hall.

### Party Reveals Truth of Mrs. A. Christensen

News of the engagement of Miss Agnes Christensen, San Carlos Avenue, was revealed in a novel manner to her guests at a card party last night at her home. The hostess served candy about which was wrapped a clever verse telling that she is to wed John Bonde of Brentwood this summer.

Miss Christensen, librarian at the High School, is the daughter of Mr. and Mrs. O. M. Christensen of this city. She is a graduate of the University of California, recently traveled in Europe with her mother.

After cards, a Danish supper was served. The table had for its centerpiece a miniature bridal party surrounded by roses. Red berries and roses were used effectively for decorations.

Guests included the Misses Mona Ross, Helen Cushing, Ruth Clopton, Lila Bridgen and Mildred Scrogin; Mesdames M. L. Sanifur, H. Van Tassel, Wilda Hughes, Gertrude Eckdahl, Madge Ross, Chris Wickert, G. Goode-nough, John Haukland, Mary Frapwell, Helen Dunlop, Maxine Welch, N. A. Christensen and Alice Johns.

Donald Browne, son of Mr. and Mrs. Gerald Browne of 834 Madison Street, is confined to his home this week with chicken pox.

Following the disclosure of Dr. Jack L. Stein, city health officer, that rats have become a "serious problem", the City Council voted to pass an emergency ordinance next week to provide \$700 for the purchase of poisoned bait.

"In some cases", declared Dr. Stein, "rats have even come up sewers into homes." He recommended a preparation used by the city of Oakland, small packages of grain impregnated with squill. The product is harmless to humans and animals but has proven deadly to rodents, he said.

The sum to be voted will secure 50,000 packages which will be distributed by an employee of the Street Department, it was said. Principal neighborhoods where rats have been bothersome are located on Sonoma, Marin and Santa Fe Avenues.

It is probable that other means than the sewers are used by the rats to come up from the Bay, pointed out Harry I. Dygert, city engineer. The sewers contain water sealed traps that would make this an impossibility, he maintained.

### DISAPPROVE PURCHASE

The council voted to advise the Toll Bridge Authority to give the purchase of the auto ferries thorough consideration before taking any action. Unanimous disapproval of the idea was voiced by the officials.

Similar word was to be sent to Governor Frank Merriam, Lieut. Governor R. Hatfield and other State executives.

Installation of a stop sign at Garfield and Santa Fe Avenues, was asked in a letter from Mrs. Margie L. Corbett, 1451 Garfield Avenue. Young drivers, recklessly proceeding through the intersection, are a constant source of danger, she advised. The matter was referred to the Traffic Safety Commission for recommendation.

The council voted, at the motion of Councilman George Batchelder, to allow Assistant Fire Chief John Riley 20 gallons of gasoline a month for use in his car. The official uses his vehicle on City business at nights and Sunday.

Mr. and Mrs. James Ellis of this city were among those who attended the meeting and banquet of the Funeral Directors' Association at the Athens Club in Oakland last Friday night.

Mayor O. C. Yenne is now attending the State traffic safety conference in Fresno.

### Local Trumpeter Completes Long Tour With Band

After a successful tour of more than 20 states with Kay Barclay's Orchestra, Miss Hazel Hill, 21, daughter of Mr. and Mrs. H. E. Hill, 903 Tulare Street, is now vacationing with her parents.

Miss Hill, whose trumpet playing drew acclaim from critics and press alike on the trip, began her studies in this city. She is a former student of Marin School.

Besides appearing at many well known hotels and dance palaces on the jaunt, the group paused to enjoy the beauties of many points of interest such as the National Parks, Boulder Dam and others, Miss Hill related. The final engagement was at the Heidelberg Roof Garden in Baton Rouge, La., and lasted six weeks.

A sister of the orchestra leader is also an Albany resident. She is Mrs. E. Rowell of 963 Ventura Avenue.
